Form 2 Subject Choice Information Evenings

Dear Form 2 Parents

It is almost time for subject choices to be made for Form 3 and we would like to invite you and your son to our information evenings to assist in best decisions being made which suit your son's skill set and interests.

4 July 2022

This term the HODs, the Career Guidance staff and I would like you to attend an information evening that is subject specific. The HODs will present information with regard to their respective subject. The Career Guidance staff will present the journey that your sons have been on and the process we will undertake at school in preparation for this important decision. The event will start at 18h00 and should end by 19h30. All subject specialists will be available for private consultations afterwards. Please complete this [RSVP](#) for catering purposes. The RSVP date is 30 June 2022.

12 September 2022

In Term 3, we are honoured to be hosting Prof Zak Nel, <https://www.profzaknel.co.za/>, a registered Counseling Psychologist, who will engage with you about career planning, and we would encourage you to bring your son along to this presentation. The HODs will once again be available for consultation as your son's final subject choices are due very soon after that evening. We will send out an RSVP form closer to the date as well as the programme for the night.

For those unable to attend in person on either of these nights, please join us via [google meet](#). The meet will also be recorded for those unable to attend at all. Unfortunately, private online consultations will have to be made directly with the respective subject HOD. Please note that these online consultations may not be possible on the nights mentioned above.

Yours in education,

Kim
